REVOCATION OF POWER OF ATTORNEY AND NEW POWER OF ATTORNEY

PETITION TO REVIVE UNDER 35 C.F.R. §1.137(b)

DECLARATION UNDER 35 C.F.R. §1.63.

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Revocation of Power of Attorney and New Power of Attorney:

Attached is a power of attorney form signed by the inventor, revoking prior powers of attorney in this matter.

Petition to Revive under 35 C.F.R. §1.137(b):

The abandonment of the '272 was unintentional. The Notice to File Missing Parts sent to the attorney of record at the time went missing itself, so the statutory deadline to file a declaration was missed in November, 2006. I was alerted to the Notice of Abandonment on or about March 15, 2007, which was sent to the attorney of record at the time. As a result of my communication with the U.S. P.T.O., I finally received from the U.S. P.T.O.

a copy of the missing Notice to File Missing Parts on March 21, 2007. Upon receiving the notice, I dispatched the appropriate declaration to the inventor in the U.K. for signature. My facsimile system received a signed declaration from the inventor on March 23, 2007, when I was out of the office. The filing date of this petition is Monday, March 26, 2007. As a result, the delay in filing the missing declaration was unintentional.

Declaration:

Attached is a copy of the executed declaration by the inventor and a copy of the Notice to File Missing Parts.

Fee:

Enclosed is a payment form and check for payment of the petition fee and late filing of the declaration.

Respectfully Submitted,
